TYPICAL LOCAL STREET CROSS SECTION

NOTES:
 Contours shown hereon are plotted from actual field topography and assumed U.S.G.S. map data. The owner, his heirs or assigns shall, within the (6) months after receipt of written notice from Jackson Township, install concrete curbs which conform to current Township standards. All lot lines shall be marked with iron pipes prior to recording of the Final Subdivision. The following waters in the Jackson Township Subdivision and this plan and approved by the Jackson Township Board of Supervisors on the 4th Day of March, 1988.
